MS Petition
Commissioner for Patents

Alexandria, VA 22313-1450

Dear Sir/Madam:

The above-identified application became abandoned for failure to file a timely and proper reply to a notice or action by the United States Patent and Trademark Office. In this instance, the Notice was a "Notification of Defective Response". The date of abandonment is the day after the expiration date of the period set for reply in the Office notice or action plus any extensions of time actually obtained.

On March 12, 2007, we received a "Notification of Missing Requirements under 35 USC 371 in the United States" (see Exhibit A) which listed a Sequence Listing in computer readable form as one of the missing requirements. Another attorney who is no longer with our firm was handling this application at that time. He filed a response to the Notification on June 12, 2007 (see Exhibit B). However, his response did not include a required statement that the Sequence Listing "includes no new matter" which was why Applicants believed the "Notification of Defective Response" was mailed by

the United States Patent and Trademark Office (USPTO) on June 13, 2008 (see Exhibit C).

On July 11, 2008, the undersigned attorney provided a Response to the "Notification of Defective Response" (see Exhibit D), which included a Sequence Listing in computer readable form and a statement that the Sequence Listing "included no new matter."

Another "Notification of Defective Response" was mailed on September 12, 2008 (see Exhibit E) by the USPTO because the computer readable form of the Sequence Listing that was mailed with the response on July 11, 2008 was found to be damaged and unreadable, which the undersigned attorney assumed must have occurred in transit to the USPTO. Thus, the undersigned attorney mailed a substitute Sequence Listing in computer readable form to the USPTO on October 14, 2008 (see Exhibit F).

Please note that the undersigned attorney was not sent a copy of the SCORE CRF Problem Report with the "Notification of Defective Response". Subsequently, Applicants received a Notice of Abandonment on June 9, 2009 (see Exhibit G).

Following a discussion with Examiner Francine Young on June 19, 2009, the Examiner was kind enough to fax the undersigned attorney a copy of the SCORE CRF Problem Report (see Exhibit H).

Upon investigation with an outside consultant and an Examiner at the Patent Software Program Help desk on June 23, 2009, the SCORE CRF Problem Report indicated that "Wrong file saved to CRF (invention title, docket number, or applicant(s) do not match those in official application), leading the undersigned attorney to believe the prior listing was objected to because of incorrect cursory information. This, in fact, was not true.

Through additional discussions with the Examiner on June 23, 2009, the undersigned attorney learned that the prior listing had not been saved to the disc in the

requisite ASCII format (.txt) which was not marked on the SCORE CFR Problem Report. Consequently, Applicants had no way of knowing what was defective with this CFR.

Because of the above, the undersigned attorney has taken the following actions in our Sequence Listing which is being concurrently submitted herewith:

- Updated the cursory information to reflect the instant case (to add the serial number 10/570,589)
- Saved the Sequence Listing in ASCII format (.txt)

The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional. It is submitted, therefore, that on the basis described above the abandonment should be held to be inadvertent, the enclosed Sequence Listing and pertinent documents should be entered and the case revived.

Please charge our Deposit Account No. 04-1105 in the amount of \$1,620.00 covering the fee set forth in 37 CFR 1.17(m). The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 04-1105, under Order No. 64995(70904).

Respectfully submitted,
